Judge and Mrs. Dole Return Af- Ewaliko Reports That Agitation for Organization Is on Among Laborers.

> HILO, Nevember 25 .- At a meeting of the labor union held last evening, Leader David Moses Ewaliko made the announcement that he had been uppronched by well known Japanese on both this island and on Mani, who had told him that they were preparing to start among their own countrymen an agitation on lines similar to that which Ewaliko had started among the citi-

On the whole the meeting was a very interesting one, at which a number of propositions of general interest were discussed. Before the meeting of the general union took uplace, the newly formed painters' union held a meeting. At this the financial secretary, Ewaliko was instructed to communicate with the painters in Honolulu and on Maui encouraging them to form unions of their own and to agitate the questions of better pay und shorter hours,

At this meeting the organizer, ulso Ewaliko, was likewise instructed to communicate with the teamsters, elec-tricians and carpenters all over the group, with the intention that union branches of men engaged in the trades named might be formed on each island.

Hours and Wages, family," said Judge Sanford B. Dole they were engaged could be considered yesterday afternoon in telling of his trip with Mrs. Dole in Europe.

The property of the broad and they were engaged could be considered as private work or whether it was government work. The reason why they wanted to know lay in the fact that Judge and Mrs. Dole arrived on the they were working nine hours a day, Wilhelmina yesterday morning and they whereas under the law, eight hours was

at quarantine. The Kaena, which took the welcoming party out, was decorated in her brighest as a tribute to the former President of Hawaii.

make the men work nine hours was a violation of the law. He suggested that the men should pay their own stage fare, provided they were paid \$1.75. This figure be thought was reading the stage of the sta sonable as they had to work in the water most of the time. The matter

Belt Road Wages.

which took them to Europe for the first time and which embraced many parts of the United States.

During the time they were away they were entertained in many places, spending more time in England than any place else, the two months they were there being spent for a great part in London.

Belt Road Wages.

One of those present started up a discussion on a fruitful topic by demanding to know whether the much desired two dollars a day wage for work on the belt road was forthcoming. Vierra argued that the present rate of \$1.50 a day was a sufficient compensation as a general rule, though, in cases where men gave better value, the rate where men gave better value, the rate King street to the harbor, should be raised to \$2. There was con- All three bidders present

Tenders Opened for Paving on King and Kekaulike Street, but Unawarded.

(From Wednesday's Advertiser.)

J. A. Gilman, representing the Bitulithic Paving Company was the low bidder yesterday for furnishing pave-ment on King street from Nuuanu stream to Nuuanu avenue, and on Ke-kaulike from Queen to Hotel street, his figures for the job being four thousand dollars less than the next highest bidder, and the time asked for the work being but one-third that of the next highest tenderer.

There were three bids in when the tenders were opened at the meeting of the supervisors at noon yesterday, Lord-Young Engineering Company, and L. M. Whitehouse being the two bidders besides Gilman.
In the tenders as submitted to con-

tractors the whole job was called for in the first clause of the contract, but there were six variations of this providing for the job being divided into

different parts.

By title the tenders called for were "For the paving of King street from Nuuanu stream to the north line of Nuunnu avenue, and of Kekaulike street from the mauka line of Queen street to the mukai line of Hotel street and for constructing storm sewers in Maunakea and Kekaulike streets from

All three bidders presented tenders under the first clause of the proposal: "Storm sewers and appurtenances in Maunukea and Kekaulike streets, and a pavement on a five-inch concrete base on King and Kekaulike streets.'' Under this clause the Bitulithic

left until the next regular meeting of the union, when it might be voted upon. It was also decided to refer the two

he same ratio.

Ewaliko added that it was his insion of the third clause: "to place five-

Under the sixth clause this company also put in a bid, "to complete a two need that amount of money to finish inch bitulithic pavement" for the sum up the work."

When all the bids had been read, they were referred to the city neer and road committee who will de-eide on which of the tenders to accept.
